

MENS LEADERSHIP SUMMIT

Changing the World One Man at a Time

Stanwell Tops Conference Centre NSW
9–11 August 2019

“Watch, stand fast in the faith, be men, be strong.”

I Corinthians 16:13

INVITE TO ALL MEN

Join the exciting team of men from all across Australia training men to be great men as part of the Dads4Kids Mentoring courses.

The Men's Leadership Summit weekend is all about helping men achieve extraordinary results for themselves, their families, in the workplace, in the church and in the broader community.

The world is in desperate need of men who will lead by example with character and integrity. Edwin Louis Cole, one of the greatest leaders in the men's movement of the 20th Century, said, "You seek the heights of manhood when you seek the depths of God."

Mahatma Gandhi said, "We must become the change we seek." But true change only comes when we meet our Father in heaven, the author of love.

True change comes when we begin to understand the words of Jesus, "If any man will come after me, let him deny himself, and take up his cross, and follow me."

The Men's Leadership Summit is all about true change. Jordan Petersen said, "Instead of protesting and trying to change the world, first win the war of evil within yourself. To make the world a better place, first do the things you have to do
